

Workshop: Curves workshop

SUPPLY LIST

- 2 – 2” strips for binding
- 14” x 15” approx. for backing
- 14” x 15” approx. batting of choice
- Pellon fusible interfacing – I use and suggest Pellon 911FF – 13” x 15”

Fabric:

Note: The fabric sizes given below are the size of the pieces needed to cut the shapes out of and what's included in the kit. No need to cut them before-hand as you can use yardage or fat quarters. It just gives you an idea of how large a piece of fabric you will need. Use the color photo as a guide with the pattern sheet
